### Sport Center 481 Soccer League

Once we know the number of teams in each division we can set the time. Every effort is made for each division to play their games over the **same two hour period each week.**

Games are (2) 25 minute half's played in 60 minutes so teams aren't rushed on and off the field.

If your looking for a competitive or recreational environment, the Sport Directors at 481 will work with each coach to find the best fit for your players

Teams are prioritized in the order they register. **Annually, teams miss out on our leagues by submitting their applications too late.** To avoid this, we strongly recommend that you register your teams ASAP.

### Standings

In an effort to promote a developmental environment, no standings will be kept (except at the Adult level)

### Player Eligibility

In an effort to help smaller communities (with less players), players will be able to play for more than one team in a division. If you have any questions concerning the league,

please email: [rfranco@twcny.rr.com](mailto:rfranco@twcny.rr.com)

### Adult Men and Women

Men's league is open to anyone who will turn 35 by June 1st 2012 (last session). A Women team may not have more than 3 women under the age of 21 without league approval. Any questions email [rfranco@twcny.rr.com](mailto:rfranco@twcny.rr.com)
